

**ASSOCIATION AGREEMENT
BETWEEN
THE INDONESIAN ASSOCIATION OF GEOPHYSICISTS (HAGI)
AND
THE SOCIETY OF EXPLORATION GEOPHYSICISTS OF JAPAN (SEGJ)**

In recognition of mutual interests among their members and as a means of furthering the common goals and objectives of each Society, the Indonesian Association of Geophysicists (HAGI) and the Society of Exploration Geophysicists of Japan (SEGJ) have agreed to a mutual agreement of the two organizations under the following terms:

1. Neither organization shall have any financial obligation to the other.
2. No member sponsorship shall be required to the members of each organization applying for membership of the other.
3. The business offices of both organizations shall exchange announcements of technical meetings of their respective organizations.
4. Providing direct link to each organization website.
5. The two organizations shall exchange a copy of each issue of their respective journals.
6. Each organization shall invite the other to send accredited representatives to participate in a non-voting capacity in its annual general meeting or its international technical meetings.
7. The members of each organization attending the meetings of the other organization shall be applied the same registration fees as the host organization members and shall be provided other courtesies of the host organization.
8. Providing free booth or poster display spaces at the meeting organized by each organization.
9. Members of both organizations may purchase special publications of the other organization, at the member prices of the publishing organization.
10. Other areas of cooperation, such as to hold a joint periodical workshop or to invite each other as key-note or state-of-the-art speakers at the technical meeting of the respective organizations, shall be sought and considered, when feasible.

On behalf of HAGI

On behalf of SEGJ

Sri Widiyantoro
President
Indonesian Association of Geophysicists

Hideki Saito
President
Society of Exploration of Geophysicists of Japan
