

# *The 10th SEGJ International Symposium* *- Imaging and Interpretation -* *Call for papers*

京  
都

**November 20-22, 2011 (Tentative)**  
**Clock Tower Centennial Hall, Kyoto University**  
**Kyoto, Japan.**

**Abstract deadline: May 31, 2011 (tentative)**

Sessions: (planned)

1. Sensors and Acquisition Technologies
2. Seismic/Geodetic Imaging Technologies
3. EM/GPR Imaging Technologies
4. Data Processing/Signal Processing
5. Multi-scale Imaging/Interpretation Methodologies
6. Spatial/Time-Lapse Data Management
7. Reservoir Characterization
8. Shallow/Near-Surface Structural Applications
9. Regional/Global Structural Applications
10. Disaster Mitigation Applications
11. Imaging/Interpretation Frontiers

Chairperson:

SEGJ: Hitoshi Mikada (Kyoto University)

Sponsor:

The Society of Exploration Geophysicists of Japan (SEGJ)

Cosponsors (planned):

Korean Society of Earth and Exploration Geophysicists (KSEG)

Australian Society of Exploration Geophysicists (ASEG)

Society of Exploration Geophysicists (SEG)

European Association of Geoscientists and Engineers (EAGE)

The Environmental and Engineering Geophysical Society (EEGS)

Vietnam Association of the Geophysicists (VAG)

Society of Petroleum Geophysicists (SPG)
